Help Support Our Troops All Year Long

If you or a friend or relative has a son or daughter in the armed forces we would like to know. Please give the person's name to Joyce at the Town Clerk's office. If you do not want the name publicized, let us know.

Troop flights returning from or going to the Middle East are met at Pease Air Terminal in Portsmouth, NH, by the Pease Greeters, a group of volunteers. The group has over 100 members and they have not missed greeting a flight since 2005. In addition to greeting flights, they also coordinate sending care packages to troops overseas. Packages are sent monthly and items are collected throughout the year.

Senior Moments

The Epping Watson Academy Senior Citizens Club is thinking Christmas. Get this - the response for knitted caps for the soldiers was so wonderful that they now don't have enough heads to put them on. Isn't that great? Our new project is Christmas stockings for our soldiers. If we start in July, we should be done by November. Not all of us will sew, so the rest will collect items to put in the stockings. This new request is also out there everywhere. So just picture it - all soldiers over there somewhere opening their stockings on Christmas! Can you imagine just how many? Dare to guess? (We'll let you know later.)

We were very happy to help three young people attend the summer Recreation Program through our donation. Government funding is no longer available for these kids so we hope others will help as well. It's a wonderful cause right here at home. Wonder if they play our games - like - kick the can, dodge'em and keepsies.

We're relinquishing the "Blue Bird" over to the Recreation kids for the summer. It looks like it will be busy every day. In the meantime, we're making plans to get back on the bus in the fall to fun places such as the Castle in the Clouds, etc. Our last bus trip was to the Desert of Maine, stopping at Portland for the night where we saw places we never took time to enjoy before. It was a lot of fun BUT - no more bus trips on hot days!!!

One of our favorite trips was to the Harvey Farm on Red Oak Hill, Epping, for a Club picnic. We really enjoyed the newly renovated milking parlor and the famous homemade ice cream and warm fresh donuts. What a combination! Talk about sinful food for seniors. We plan to do this once a year. That should please our doctors. The hospitality was great. Check it out this summer - such clever folks.

We won't stay home all summer though. One trip will be on the train to Old Orchard Beach where we'll enjoy the ride, the food and the sights!

We thank all the friends who stopped at our Memorial Day Bake Sale to buy and say hello. Did anyone else notice that there were many more residents observing the special day than ever before? We were impressed to see so many appreciate our war heroes and our community. Thank you American Legion for a wonderful parade and great hamburgers and hot dogs.

Ready for another frown breaker? >>>>>>Two old ladies were traveling in the car and the passenger noticed that they went right through two red lights. As they started through the third, she screamed to her friend, "You just drove through three red lights!" Her friend replied, "Oh, am I driving?" >>>>>> Message - driver beware.

By the way, each Club meeting includes a program. We invite local people, friends and neighbors to come and talk about their hobbies, history or whatever. Everyone has a story to tell and we really are good listeners.

Epping Garden Club

Attention All Gardeners!

Whether you have an extensive garden or just a few pots on a windowsill, the Epping Garden Club would love to have you join us in our efforts to beautify Epping. Originally formed in 1932, the Epping Garden Club was the very first Garden Club in the state. Newly reformed we have grown from just four members to nearly two dozen in just two short months! You may even have noticed our plant sale at the Memorial Day parade as well as the work that we have done at the library, DAR Park and a few of the triangles around town. In the future we hope to bring back some of our traditional programs such as our Wreath Making class and start some new ones such as a downtown window box contest.

During our May meeting we elected our club officers. Debbie Allen, who some of you may know from her work in the evenings at the library, is our President. Kathy Glass is our Vice-President, Michelle Curtis is our Treasurer, and our Secretary is Mary-Jo Hinkle. Anyone interested in joining the club can just come to one of our meetings – held at the library the first Wednesday of each month at 8:00 pm or send an email to eppinggardenclub@yahoo.com for more information. We look forward to meeting you!

Donations needed for Rockingham County 4-H Foundation Benefit Auction

Help local youth by donating new merchandise or gift certificates, large or small, to the 2010 Annual 4-H Benefit Auction! Each year, the Rockingham County 4-H Foundation holds a benefit auction at the Stratham Fair to raise money for youth participating in 4-H activities. This is the foundation's major fundraising event each year. Tax deductible donations of any size are welcome and greatly appreciated.

The live auction will be held on Saturday, July 24 at 5 p.m. This year, a "penny sale" raffle will be added for smaller items and baskets of items put together by local 4-H clubs, with the drawing held at noon on Sunday, July 25.

Thanks to many generous donations last year, over \$4,000 was raised to send local youth to county, state, and national events. The money also supports 4-H youth development programs, and provides continuing education scholarships and recognition for 4-H youth and volunteer leaders.

Epping Community Church

ECC Contact Information

We are always delighted to welcome visitors and new residents of Epping to our worship service. You are always welcome

Located at the corner of Route 27 and Main Street in Epping, the Epping Community Church sponsors, organizes and hosts the Community Food Pantry and Thursday Soup of the Day Café. Both programs are available to any who find themselves in time of need.

There is no charge or fee required to receive help from the Food Pantry or for the Thursday luncheon meal. Caring individuals make these programs possible.

During the 2009 calendar year, the food pantry program served over 1500 families and individuals. A very special "thank you" to those who join us in caring for others.

The **FOOD PANTRY** is open two times weekly, January through December. Canned goods, bakery items, sundries, meats, and other staples are often available through the pantry. We realize that every want may not be met. But the FOOD PANTRY attempts to be a transitional help and temporary assistance to those for whom the FOOD PANTRY plays an important part in meeting their nutritional needs. **DONATIONS ARE NEEDED.**

Hours of Operation

Thursday Mornings 9:00 a.m. - 11:00 a.m.

Saturday Mornings 9:00 a.m. - 11:00 a.m.

We will be moving the Food Pantry into newer, larger quarters to better serve the community.

Thanks for your support!

The **THURSDAY SOUP OF THE DAY CAFÉ** provides a warm lunch and opportunity for fellowship around the table. There are generally two soup types available and always homemade from some of the best recipes around.

January through December

Hours of Operation

Thursdays 11:00 am —12: 30 pm

We are grateful for the community support and to those who partner with us in this ministry.

Another program begun this year is our **TELEPHONE CARE** program. The design of the program is to provide a daily contact for those who find it comforting to know that once in the morning Monday through Friday an individual from the church will call to check and see that things are

okay and the day has started.

Whether for an aging parent, a home alone elder, a shut-in or any other need, TELEPHONE CARE provides comfort and assurance knowing that someone is calling to be sure you are okay. This program is provided all year long. If you are interested in having TELEPHONE CARE for yourself or someone you love, call 679-5542 and leave your name and telephone number where we may call you and talk further. There is no cost or fee associated with this program

FRIDAY NIGHT PIZZA takes place from 5 to 7 pm. Many in our community enjoy pizza and knowing that they are helping us achieve our goal raising \$500,000 toward our building program. We are in need of additional space for ministries and other needed programming. Thank you all for supporting Friday Night Pizza.

News from the Historical Society

In addition to presenting two well attended programs, your Epping Historical Society has been especially busy during its usual Monday and Wednesday hours, with visitors dropping in or calling for information from all over the country.

It was also a total pleasure to attend Awards Night at the High School and present our \$700.00 Scholarship to **Victoria Matthews**, daughter of Neal and Michelle Matthews and one of our top graduates. In addition to many athletic and academic accomplishments, she has participated in the National Honor Society, has won the AP U.S. History Award, the French Award and the Saint Anselm College Book Award. Victoria hopes to one day become a history teacher and to work as a missions team leader in Haiti or Africa. She has been accepted into the honors program at the University of New Hampshire where she plans to major in history. Congratulations Victoria!

The Historical Society building is open and welcomes visitors each Monday from 10 am to 1 pm and on Wednesdays from 10 am to 2 pm. Please call Madelyn Williamson at 679-5482 or Joy True at 679-8855 for information or to schedule an appointment.

The library is open Monday through Friday from 10 am to 8 pm and Saturdays from 10 am to 2 pm.

We are preparing for a fun summer here at the library. Our 6th annual Toy Sale was held on Saturday, June 26th and we made more than in any previous year! HUGE thanks go to the many volunteers who helped, all the families who donated toys and to Heather Clark for organizing this record breaking year and donating the use of her sheds, garage, truck, trailer and husband, Chet. There was a great deal of work involved, and it all got done! We hope to create a Toy Sale committee so the myriad of tasks can be shared in future years. With no line item in the library budget for summer reading, the Toy Sale is our only fundraiser, enabling us to stock the SRP Store with wonderful incentives for Epping's young readers.

Library Trustees meet the 3rd Monday each month at 7:15 – July 19th and August 16th.

Cinema 151: formerly called “Dessert and a Movie” – adults are invited to come enjoy a recent release on our 9 foot screen with stereo surround sound - 4th Thursday each month @ 7:45. We now have padded folding chairs, so camp chairs are optional!

Programs for Children

Splash Into Summer! Epping's Summer Reading Program

Once again, Epping Elementary School Librarians Barbara Young and Maryanne Nicosia will be coming down the hill to run the summer reading program at HMML. This year they will help kids ages 5 - 11 “**Make a Special Splash**” as they spend 6 weeks exploring the subjects EES students know as “specials”. Reading logs are available for independent readers as well as children who are being read to. For every 30 minutes read, children will earn \$1.00 in ‘splash cash’ to spend in the SRP Store and get a ticket to work on an amazing assortment of projects and challenges in art, music, health, computer and reading. A roll of the dice will determine which topic the child will focus on for that visit. At the end of the program all the projects will be compiled into a Summer Splash Scrapbook to be taken home. This is a drop-in program running June 28th through August 5th Monday through Thursday from 10 to 2 and Wednesday evenings from 5 to 8. Families are invited to stop in anytime during these hours to participate. We welcome Epping teens Colin Nollet and Tess Kucera to our summer reading staff this year after their many summers of volunteering.

In addition readers of all ages may participate in our “**Splashing Around Epping**” scavenger hunt. Once 30 minutes has been logged, readers are eligible to make their own stamp book and stamp. Each visit to the library yields a clue that will lead to a place of interest in Epping. Each location will host a “letterbox” with a stamp, inkpad and booklet. Upon discovering the clue's ending location, readers will use their personal stamp to mark the host book then use the host stamp to mark their own book. Each week there will be a different letter hidden among the locations. By summer's end those having found S-P-L-A-S-H will be entered in a drawing for special prizes.

While “Make a Special Splash” ends after the annual Barbeque and play by the UNH Theater Troupe “Little Red Wagon” on August 4th, the SRP store and the scavenger hunt will continue until August 21st.

Preschool Storyhour: During the 6 weeks of Summer Reading our Storyhour moves to its summer schedule. From June 30th to August 5th we will meet on Wednesdays @ 9:15 and Thursdays @ 9:15 and 2:30. This is a drop-in program designed for children ages 2 to 6 that will follow the

Splash theme with a focus letter and age appropriate activities each week. The kids have a little time to explore the library, look for books and play with friends before sitting down for songs and stories with Miss Tracie, and then may participate in the related craft project. Older preschoolers may enjoy the projects in the "Make a Special Splash" program and are welcome to participate especially if they have older siblings. Preschoolers can fill out a "Read to Me" reading log to earn splash cash just like the big kids to spend in the SRP store.

Pajama Night: This summer we will have just one Pajama Night on Friday, July 9th, but we will make up for the Princess Tea that never happened in May. This will be a special dress-up event for all princes and princesses, complete with stories, projects and a dazzling scavenger hunt Fancy Nancy would be proud of!

Prince and Princess Pajama Night – Friday, July 9th 6:30 to 7:45

Friends of the Library...

Thank you to the Friends for their extra generous donation of \$300 to the Summer Reading Program, and for the purchase of a new color printer for the children's room computers. No more stampeding on the stairs to pick up printouts!

The FOL Book Sale Room will be closed for the summer as we clean out the room and prepare for a bathroom renovation project. There will still be newer book sale items for sale upstairs. We plan to re-open the Book Sale in the fall. Please hold book donations until then. Thank you for your patience.

The Friends host an on-going Food Pantry Donation Box in support of Epping's Food Pantry. Non-perishable items are always welcome to help neighbors who may be struggling to make ends meet. The box is located near the front door on the main level of the library.

F.O.L. will not meet again until September. Have a great summer!

Families First of the Seacoast

Parents and kids are invited to weekly "Morning Out" in Epping.

Are you wondering how you will make it through the long summer days with your young children? Do you wish there were other adults you could talk with about parenting issues?

Families First Health and Support Center is partnering with Epping Elementary School and the Family Assistance Network to offer Family Morning Out, a free, relaxed program for kids ages birth through six and their caregivers, this summer. The program is split into two parts. The first half is family time, with play, song circle, creative activities, snack and story. In the second half, children have fun with Families First's child care staff, while adults enjoy lemonade and informal question and answer sessions with these guest speakers:

July 15: Lamprey Health Care: Immunization Information

July 22: Kathy Stanley-Berting, Epping Elementary and Middle School: School Readiness

July 29: Heather Jones: Breathing and Relaxation

August 6 Dawn Huebner, PhD, psychologist

and author: Preschool Behavior and Challenges

August 12: Open Discussion

Family Morning Out meets on Thursdays, July 15 through August 12, from 9:30 to 11 a.m. at Epping Elementary School. There is no charge to attend, but advance signup is required. Older siblings are welcome. To sign up, call Families First at 603-422-8208 (press 2).

Families First, the Seacoast's community health center, has been providing parent education for over 15 years and offers a wide range of classes and support groups as well as affordable health care. For more information, visit www.FamiliesFirstSeacoast.org.

Support for this program comes from the NH Department of Health and Human Services, the Foundation for Seacoast Health, Exeter Hospital, the NH Children's Trust Fund, the Fuller Foundation, the Town of Exeter and Walmart Distribution Center (Raymond).

Epping School District News

Teachers' Agreement Passes

On June 22, Epping voters passed the Teachers' Agreement 305 to 156.

School Begins

The first day for students is Tuesday, September 7, 2010. This school year we will have a similar school calendar to last year. There will be no early release days and professional development training days for staff members have been scheduled on days prior to long holiday weekends. Please visit www.sau14.org for the 2010-2011 School Calendar. Students attending Seacoast School of Technology start Monday, August 30, 2010 per the SST School Calendar.

Bus Routes

Bus routes will be posted on the District Website at www.sau14.org under Parents & Community – Transportation as soon as the information is available. Routes will also be posted at the schools. Questions should be directed to the Superintendent's Office at 679-8003.

Immunizations and Physicals for School

Epping School District requires all students to meet the physical examination and immunization requirements for school entrance. Please check with your medical provider to see if your child is

current with immunizations. Information can also be found by visiting the school website at www.sau14.org under School Nurse. School Board policy also recommends that a physical examination be performed within 12 months of starting grade 6 and grade 9. A physical examination must be performed within 12 months of the athletic sport date. Student athletes continuing to participate in the athletic program must be re-examined within two years of the previous physical examination on file. For example, if an exam was performed September 2008, another exam would be required by September 2010 to continue athletic eligibility. (Policy JLCA and JLCB can be referenced on the district website at www.sau14.org under school board and policy.)

Happy Retirement to Francis Galley
